

IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

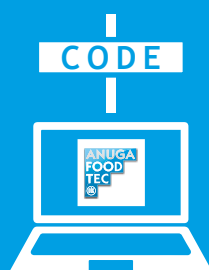

Please observe! The new process for admission to the trade fair. What do you have to do as an exhibitor?

THIS IS NEW:

Instead of the usual exhibitor and work passes in paper form, you have received digital admission ticket codes for an exhibitor pass from us per e-mail. Please forward on these codes to all people, who require admission to Anuga FoodTec:

- Colleagues, who are manning your exhibition stand (for exhibitor passes)
- Your stand construction team (for stand construction/dismantling passes)
- Further service providers you have commissioned in the scope of your trade fair presence (for stand construction/dismantling passes)

Admission to the trade fair occurs in three simple steps:

1. You buy a ticket or redeem your digital ticket code:

- Every person, who requires admission to the fair, has to redeem his/her admission ticket code in the Ticket Shop in the run-up to Anuga FoodTec and create a personal Koelnmesse account (which applies for the registration via the Anuga FoodTec app and for Anuga FoodTec @home).

2. Download the Anuga FoodTec app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the Anuga FoodTec app, which is automatically in the ticket wallet of the app.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at Anuga FoodTec:

- You will be granted access to the fair grounds on presenting the admission ticket in the Anuga FoodTec app.
- The Covid restrictions for trade fairs and events in North Rhine-Westphalia were lifted in April 2022. However, Koelnmesse strongly recommends that you only enter the exhibition centre if you have been vaccinated against, have recently recovered from or have tested negative for Covid, and that you voluntarily wear a medical mouth nose protection.
- If you have a ticket for Anuga FoodTec you can also use Anuga FoodTec @home. You can log in using your access data from your Koelnmesse account.
