# IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

For stand constructors

Please observe! The new process for admission to the trade fair. What do you have to do as a stand constructor?

THIS IS NEW:

Your contracting party (= exhibitor) has forwarded a digital admission ticket code for stand construction/dismantling passes on to you - one for each member of your team.

Admission to the trade fair occurs in three simple steps:

1   **CODE**

1. Redeem your digital admission ticket code:

- You redeem your admission ticket code in the Ticket Shop in the run-up to Anuga and create a personal Koelnmesse account (which also applies for the registration via the Anuga app and for Anuga @home).
- After redeeming your ticket code, you will receive an order confirmation for your ticket for the stand construction/dismantling period of Anuga.

2. Download the Anuga app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the Anuga app, which is available from the App Store or from the Play Store.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically in the ticket wallet of the app.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at Anuga to complete the assembly and dismantling work:

- You will be granted access to the fair grounds on presenting the admission ticket in the Anuga app.
- You additionally require a digital COVID certification of the EU (vaccinated, tested, recovered) as well as valid ID.
