

IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

Please observe! The new process for admission to the trade fair. What do you have to do as a stand constructor?

THIS IS NEW:

Your contracting party (= exhibitor) has forwarded a digital admission ticket code for stand construction/dismantling passes on to you - one for each member of your team.

Admission to the trade fair occurs in three simple steps:

1. Redeem your digital ticket code:

- You redeem your admission ticket code in the Ticket Shop in the run-up to didacta and create a personal Koelnmesse account (which also applies for the registration via didacta app).

2. Download the didacta app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the didacta app, which is expected to be available from mid-march from the App Store or from the Play Store.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically.
(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at didacta:

- You will be granted access to the fair grounds on presenting the admission ticket in the didacta app.
- The Covid restrictions for trade fairs and events in North Rhine-Westphalia were lifted in April 2022. However, Koelnmesse strongly recommends that you only enter the exhibition centre if you have been vaccinated against, have recently recovered from or have tested negative for Covid, and that you voluntarily wear a medical mouth nose protection.
