Please observe! The new process for admission to the trade fair. What do you have to do as a stand constructor?

THIS IS NEW:

Your contracting party (= exhibitor) has forwarded a digital admission ticket code for stand constructor passes on to you - one for each member of your team.

Admission to the trade fair occurs in three simple steps:

1. Redeem your digital admission ticket code:

- You redeem your admission ticket code in the Ticket Shop in the run-up to FSB and create a personal Koelnmesse account (which also applies for the registration via the FSB app).
- After redeeming your ticket code, you will receive an order confirmation for your ticket for the set-up and dismantling period of FSB.

2. Download the FSB app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the FSB app, which is available from the App Store or from the Play Store.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically in the ticket wallet of the app.

3. You arrive at FSB to complete the assembly and dismantling work:

- You will be granted access to the fair grounds on presenting the admission ticket in the FSB app.
- You additionally require a digital COVID certification of the EU (vaccinated, tested, recovered) as well as valid ID.
