1.4 Visitor admission

h+h cologne is a trade fair. Only trade visitors are admitted.

The holding of so-called stand parties (gathering on the exhibitor's stand area by employees of an exhibitor or employees of an exhibitor with visitors invited by said employees) outside the opening times for visitors is only permissible with prior registration and authorization by Koelnmesse by means of the process established for this purpose.

2 Eligibility to participate

2.1 Exhibitor

Only producers that are entered in the Commercial Register or in the Handicrafts Register are permitted to participate at h+h cologne. Such producers must exhibit products that correspond to the focus of the event (see the list of product group entries). You may only participate as an exhibitor if the exhibited products are manufactured or developed by your company itself or developed or produced on its behalf and exclusively marketed or, in the case of services, exclusively provided by your company. You can exhibit for the companies you represent as a trade representative, sales company, association and importer insofar as the goods exhibited are not offered by any other company at the trade fair and you possess the necessary rights to present the exhibits.

Koelnmesse may also require that proof of the nature of the manufacturer's business or of the activities as the manufacturer's sales company or importer be submitted in appropriate form on demand.

Decisions on company acceptance, eligible products and the location of exhibitor stands will be made by Koelnmesse. In the event of a rejection, you will receive a separate letter.

All exhibited products and services must correspond to the focus of the event (see Item 2.1, Sentence 1). The products must be new ex-works. Products and services that do not correspond to the focus of the event and used products may not be exhibited or offered. Participation as exhibitors by interest groups,

associations (with the exception of political parties), corporate bodies, institutions and foundations under public law can be permitted when their presentation and presence correspond to the focus of the event (see Item 2.1 Sentence 1).

2.2 Co-exhibitors

The participation of co-exhibitors at h+h cologne is possible. A special application and an acceptance by the organizer are required for the use of the stand area by a co-exhibitor (see Item V of the General Section of the Conditions of Participation).

The following conditions apply to the use of a stand area by a co-exhibitor: The participation of no more than 2 co-exhibitors can be applied for. The limit of a maximum of 2 co-exhibitors applies independently of the number of registrations of the exhibitor per event, so that even in the case of multiple registrations (e.g. for multiple product segments in different halls or stand areas (in the same or different halls (hall areas)) a maximum total of 2 co-exhibitors are permitted on the exhibitor's stand area. The complete registration of all co-exhibitors by the main exhibitor must reach Koelnmesse on or **before 26.03.2027**. This also applies in the case where the registration takes place online using a means made available by Koelnmesse. Applications that are received by Koelnmesse after this date cannot be taken into account. Enabling a company to participate on the stand area without first obtaining the approval of Koelnmesse is a serious violation of the Conditions of Participation. In the event of any violation of this condition, Koelnmesse is entitled to impose a fine of up to 5,000.00 EUR (depending on the severity of the violation) for each such violation and / or - depending on the severity of the case - to exclude the exhibitor from this and / or subsequent events. The stipulations of Item V of the General Section of the Conditions of Participation are not affected.

2.3 Group participation

The participation of group participants in the h+h cologne is possible. A special registration and approval by the organizer is required for the use of the stand area by a group participant (see Item V of the General Section of the Conditions of Participation). The registration has to be completely filled in and the main exhibitor has to sign it with a legally binding signature and submit it to Koelnmesse **by 16.03.2027** at the latest.

Group organizers may only register companies as group participants and admit them to their stand area if they have their registered office in the same country as the group organizer. The acceptance by the group organizer on its stand area of a company that does not have its registered office in the same country as the group organizer constitutes a serious violation of these Conditions of Participation. Koelnmesse is entitled to impose a fine of up to €5,000.00 (depending on the severity of the violation) for each such violation and / or to exclude the group organizer from subsequent events. The stipulations of Item V of the General Section of the Conditions of Participation are not affected.

3 Participation fee and other costs

3.1 Participation fee (per sqm floor area):

The space rental amounts:

	Early bird (until 31.05.2026)	Stand rate (from 01.06.2026)
Stand rental per m ² (up to 100 m ²)	190.00 EUR	198.00 EUR
Stand rental per m ² (larger than 100 m ² *) (*applicable to the entire area)	185.00 EUR	193.00 EUR
Last Call Price per m²	from 01.02.2027	218.00 EUR

The participation fee does not include the provision of stand partition walls or other special construction elements. The participation fee covers the provision of the stand area of the exhibition space for the entire duration of the event, including the stipulated construction and dismantling periods; a specific number of exhibitor and construction and dismantling passes - see Item 5.1; the use of all technical and service facilities in the trade fair halls; advice by Koelnmesse GmbH experts on organization, advertising and public relations work for your participation; advertising media for visitor advertising done by your company on its own; and press contact services.

The participation fee will be calculated according to the exact dimensions of the stand area allocated. Hall pillars and other fixed construction elements present in the rented stand area do not constitute grounds for a reduction of the participation fee.

For two-storey trade fair stands, the actual area allotted in the second storey after the technical inspection has been carried out is invoiced at 50 per cent of the participation price per sqm of floor area.

3.2 AUMA fee

The Association of the German Trade Fair Industry (Ausstellungs- und Messeausschuss der Deutschen Wirtschaft e. V. – AUMA) charges you a fee of 0.60 EUR per sqm of exhibition space for representing your interests. Koelnmesse will calculate and collect the fees in the name of, and on the account of, AUMA.

More detailed information is available at www.auma-messen.de.

3.3 Energy costs

Exhibitors will be charged a proportional flat-rate energy fee of 21.00 EUR per sqm of occupied stand area.

3.4 Additional costs payment for services

The services used by an exhibitor at an event (e.g. electricity and water supplies, stand cleaning etc.) are invoiced after the conclusion of the event. Invoice amounts are payable immediately upon receipt.

3.5 Co-exhibitor fee

Insofar as the inclusion of other companies is permitted at your stand (see Item V of the General Section of the Conditions of Participation/Item 2.2 of these conditions), a co-exhibitor fee of 250.00 EUR per company will be charged. The price of inclusion in the Marketing Package is not included in this fee (see Item 7.2, Special Conditions of Participation). The co-exhibitor fee remains payable should the co-exhibitor not participate in the event.

3.6 Media services

Use of the media services described in Item 7.1 shall be obligatory and is subject to a charge (see Item 7.2, Special Conditions of Participation).

3.7 Value-added tax

All prices given are net prices. The statutory VAT will be charged additionally where applicable

3.7.1 Value-added tax identification number

As a rule, Koelnmesse provides exhibitors (proprietors) with a uniform service – a so-called event service – in accordance with Art. 3a.4., Par. (2) of the German ordinance on the application of the VAT (UStAE). The place of performance for such services is the recipient's headquarters. Koelnmesse will therefore invoice foreign exhibitors (proprietors) according to the reverse charge accounting mechanism without charging any German VAT. Exhibitors from the European Union need to enter their valid VAT identification number in the registration form in order to be considered entrepreneurs. Exhibitors must immediately notify Koelnmesse of any changes to their VAT identification numbers.

3.7.2 Value-added tax refund

If, in exceptional cases, services are not provided as uniform offerings in the sense described above and statutory VAT is charged, foreign exhibitors (proprietors) may receive a refund of the invoiced VAT provided they fulfil the legal requirements.

Further information is available at: www.bzst.bund.de.

3.8 Costs in the event of non-participation

3.8.1 Prior to receipt of acceptance / confirmation

A registration that has taken place during the Early Bird period can be cancelled free of charge within this period any time. The Early Bird period relates to the subsequent event. It begins 4 weeks before and end 4 weeks after the end of the current event. Provided that it does not concern an Early Bird registration within the Early Bird period or that this is not permitted by this Special Section of the Conditions of Participation, the following shall apply: Should the supplier revoke its registration before receipt of the acceptance/confirmation, it undertakes to pay a fee in the amount of 500,00 EUR.

3.8.2 After receipt of acceptance / confirmation

Normally, such a withdrawal from the contract after receipt of the acceptance/stand area confirmation is not permitted. The regulation contained in Item II of the General Section of the Conditions of Participation applies.

In the event of your non-participation, you must pay compensation. Provided the reserved stand area can be rented to a third party, this compensation amounts to 25% of the participation fee subject, however, to the minimum fee specified in Item 3.8.1. If the exhibitor wishes to reduce the size of the stand area, this regulation applies accordingly to the stand area that becomes free as a result, if the organizer agrees to a reduction in the size of the stand area as an exception.

The costs and deadlines for the stand construction services provided by Koelnmesse can be found in the Koelnmesse Group's General Terms and Conditions for Services and the Koelnmesse Group's Special Terms and Conditions for Services - Stand Construction. These General Terms and Conditions of the Koelnmesse Group are available for download as part of the exhibitor registration process, on the event homepage or via the event's Service Shop.

3.8.3 You shall be entitled to prove that no damages were incurred or that the costs were significantly less extensive than the fee charged.

4 Stand sizes and construction

4.1 Stand size

The minimum stand size is 12 m². Please note that hall pillars and other fixed construction elements may be present in the rented stand area. A solid demarcation of stand space from the neighbouring stands is mandatory. In the event that a stand construction system belonging to the exhibitor or rented from Koelnmesse is not used, non-transparent stand partition walls (back and side walls) 2.5 m in height are required. It is not permitted to use roll-ups and poster displays for stand demarcation. The cost of these stand partition walls is not included in the cost of the stand rental. Every exhibitor can order the required back and side walls for his stand from the Koelnmesse Service Shop (<https://service.hh-cologne.com>).

4.2 Responsibility

Stand construction, design and operation must comply with all the regulations that are valid in Germany (including the special construction regulation, the industrial safety law and regulations, the DIN and EN standards, the VDE regulations, and the accident prevention regulations of the employers' liability insurance associations in their currently valid versions). All of these provisions apply to the company's own as well as to independent stand designers, decorators, and signwriters and to all persons insofar as they perform activities commissioned by the exhibitor or on the exhibitor's behalf in connection with the construction, design, operation and dismantling of the stand.

The exhibitor is responsible for ensuring that all regulations are complied with. The exhibitor must supervise construction and dismantling personnel and other persons working on its behalf, in order to ensure that they adhere to the regulations.

The stipulations of the General Section of the Conditions of Participation and the Technical Guidelines are not affected.

4.3 Overall height

The maximum permissible stand height is set at 4.00 m, insofar as this is permitted by the hall ceiling and any fixed structures that may be present. As long as the Technical Guidelines are observed when designing and erecting stands, there is no need to submit for approval documentation for one-storey stands that do not exceed the permitted construction height. All other stands and constructions must be approved. The regulations regarding the approval of stand construction and requesting such approval are given in the Technical Guidelines.

4.4 Notice of approval

Stand construction may not commence until the exhibitor has received a copy bearing Koelnmesse's notice of approval. This notice of approval does not release the exhibitor from the observance of the relevant provisions. It only states that Koelnmesse has no objections in the context of stand design/arrangement. If requested to do so by Koelnmesse, the exhibitor is obliged to submit any additionally required information relating to the stand immediately. There is no obligation on the part of Koelnmesse to ensure the observance of other provisions.

Nevertheless, if an infringement of the relevant provisions is found to have been committed, Koelnmesse can, for this reason, also refuse to issue the notice of approval. You have been informed of the fact that in exceptional cases – at your request and on your account – the stand construction documents must be submitted to the responsible authorities for scrutiny. Irrespective of official approvals of the stand, any objections made by Koelnmesse concerning the stand must be responded to immediately. In case of imminent danger, Koelnmesse is entitled to determine at its absolute discretion the measures necessary and have them implemented at the exhibitor's expense.

4.5 Form of stand

The following terms are used for the stand forms:

Terrace stand: one side open
 Corner stand: two sides open
 Two-corner stand: three sides open
 Island stand: four sides open.

Deviations from the requested stand shape do not entitle an objection to be

made under Item II of the General Section of the Conditions of Participation.

4.6 Construction and design of the stands

The stands must be constructed in compliance with the stand form that has been approved. The arrangement of the stands is left to the exhibitor but must be appropriate for the event in question. Your company name and your products/services must be clearly visible on your stand. The exhibitor has to obtain information about the load capacity of the hall floor and the hall headroom. Only the on-site measurements apply to the stand area. Banners and company signs are not permitted to extend into the aisles.

You can receive further information on possibilities for advertising here:

5 Exhibitor, stand construction and dismantling passes

5.1 Exhibitor passes

Each exhibitor receives free passes that are valid for the period from the first day on which construction work begins to the final day of dismantling:

- 3 passes for a stand up to 20 sqm
- each additional 10 sqm up to 100 sqm 1 further pass
- each additional 20 sqm over 100 sqm 1 further pass
- Upper limit : max. 150 exhibitor passes

The exhibitor should order the codes for the passes in the Service-Shop. They must be redeemed online via the event's ticket shop. The passes and travel tickets can only be used via the app of the respective event. The registration in the app must use the same data as used at the ticket shop. Additional codes can also be ordered for a fee from the Service-Shop. The number of codes provided free of charge will be offset against the codes used for access in the final invoice. Should the number of codes you have ordered and used for access exceed the number of codes provided free of charge, you will be invoiced for these codes.

5.2 Construction and dismantling periods

You will also receive free codes that allow people commissioned by you or who work on your behalf to access the exhibition centre in order to construct or dismantle your stand. The passes created using these codes are only valid up to the start of the event and after the end of the event during the stand construction and/or dismantling periods. They do not entitle the holders to enter the grounds during the event. These codes are ordered in the Service-Shop.

- 2 passes for a stand up to 10 sqm
- 4 passes for a stand of up to 20 sqm
- each additional 10 sqm up to 100 sqm 1 further pass
- each additional 20 sqm over 100 sqm 1 further pass
- Upper limit : max. 150 working passes

You will receive the passes digitally with the exhibitor passes.

5.3 Transfer of passes forbidden

All passes are for specific individuals and are non-transferable. Transferring a pass to a third party – whether sold or given – is not permitted and represents a severe violation of the Conditions of Participation, in accordance with Item V, General Participation Conditions.

6 Rules on selling

In view of the professional nature of the event, direct sales are not permitted. Only sample sales (in very small quantities) are permitted. In this case, a complete invoice with the name of the recipient and VAT must be issued and handed over. Koelnmesse has the right to carry out checks and, in the event of violations of these conditions, to take suitable measures. Koelnmesse also has the right to immediately close the stands of any exhibitors who commit such violations. Claims on the part of the exhibitor for damages or refunds are excluded in the event of such measures.

The entry is subject to a fee. Registrations and orders received after this deadline will also, insofar as possible, be taken into account in the official trade fair media. In the case of orders and registrations that are received by Koelnmesse later than the editorial and advertising deadline, Koelnmesse will make no guarantee of the full provision of all marketing services. Please specify the corresponding deadline after which inclusion in the media package can no longer be guaranteed and coordinate the passages concerning

the media package with Marketing Services once again.

7.3 Special data protection provisions for lead tracking

Use by trade fair visitors is voluntary. Neither the exhibitor, nor Koelnmesse GmbH nor any other third party can require visitors to take part in the Trade Fair App's lead tracking feature and so to pass on their personal data. Koelnmesse GmbH forwards the personal data to third parties only if the visitor first agrees to have their data used in this way. A consent to data transfer has sometimes been given when a visitor has actively agreed to a networking request from an exhibitor via the Trade Fair App or a scan of the ticket QR code (e.g. at the exhibitor's trade fair stand).

In addition, the exhibitor is obliged in individual cases to delete the personal data that it has received as a result of lead tracking if it is requested to do so by Koelnmesse GmbH or the visitor in question. Koelnmesse GmbH is not liable for the accuracy and completeness of the visitor registration data.

The exhibitor may only forward the personal data received as a result of lead tracking to third parties if and to the extent that the exhibitor has received express consent from the respective visitor. The exhibitor also undertakes to use the personal data received as a result of lead tracking only in accordance with the legal regulations, especially those relating to data protection, and only for the exhibitor's own purposes. In this respect, the exhibitor shall exempt Koelnmesse GmbH from all claims by third parties.

7.4 Responsibility/release of Koelnmesse from liability

Koelnmesse GmbH, Messeplatz 1, 50679 Köln, Germany, is the publisher of the official trade fair media. Koelnmesse may assign the practical implementation of the advertising to a third party company.

Advertisers are responsible for the content of their advertisements and entries and are liable for any damages related thereto. The regulations regarding liability in the General section of the Conditions of Participation apply with regard to any liability on the part of Koelnmesse.

Koelnmesse GmbH is not liable for damage to property and persons caused by the use of the Trade Fair App for the lead tracking service unless it can be proved that Koelnmesse GmbH acted deliberately or with gross negligence. Liability is limited to foreseeable damages. The use of the Trade Fair App for utilizing the lead tracking service is at the user's own risk. Although Koelnmesse strives to provide correct information, it does not guarantee the currency, accuracy and completeness of the supplied information nor is it liable for such.

Koelnmesse assumes no responsibility for the technical availability of the services offered. Warranty or damage claims of all kinds are excluded if the technology breaks down or malfunctions in some other way. In particular, maintenance, security and capacity-related issues as well as events over which Koelnmesse has no control (e.g. disturbances of the public communication networks, power outages etc.) can lead to brief disruptions or a temporary suspension of the services. Koelnmesse does not guarantee that the web pages will be accessible at all times and that participants can call them up flawlessly and without encountering incorrect content or technical difficulties. Koelnmesse is not liable for incorrect information that is produced or disseminated by participants and/or third parties (including cooperation partners) and that is related to the ordering of admission tickets and catalogues for trade fairs and exhibitions of the Koelnmesse Group on the Internet. Koelnmesse is especially not liable for e-mails or data entries that the system fails to accept and/or receive because they do not conform to the stipulations of these Conditions of Participation or to the website's technical requirements..

Koelnmesse is not liable for the offers made by third parties, especially not if they are related to the use of the lead tracking service.

Koelnmesse does not guarantee that all links and references to external content that are found during the use of the lead tracking service are correct or complete.

8 Commercial property rights

8.1 Koelnmesse does not want any exhibitors who in the process of producing, disseminating, selling, owning or advertising their products violate laws regarding the protection of intellectual property or commercial property rights in the broadest sense.

If a final court decision has determined res judicata that an exhibitor in connection with one of Koelnmesse's events has violated laws of the kind mentioned in paragraph 1, Koelnmesse is entitled to bar that exhibitor from the next event of this kind after the res judicata court decision if there is sufficient suspicion that the exhibitor will again and repeatedly violate laws for the protection of intellectual property or commercial property rights.

8.2 You will find more detailed information in the No Copy! brochure: https://media.koelnmesse.io/hh/redaktionell/global/downloads/for-exhibitor/no_copy_brochure.pdf

9 Non-permissible advertising/violations of the Conditions of Participation

9.1 In order to ensure that the overall character of the event is safeguarded and the exhibitors and visitors are protected from irritating or illegal activities, in particular the following advertising measures are forbidden:

- Exceeding the binding specified booth height
- Advertising activities outside the rented stand area without the prior written permission of Koelnmesse
- Advertising of an ideological or political nature

The exhibitor bears responsibility for the legality of competitions, raffles etc.

9.2 In the event of severe violations of the Conditions of Participation, Koelnmesse may immediately close your stand and clear it without resorting to legal assistance. Claims of all kinds — especially claims for damages — are excluded in these cases.

9.3 Dismantling the trade fair stand and / or the exhibits before the official end of the event represents a serious breach of the Conditions of Participation. In the event of any violation of this condition, Koelnmesse is entitled to impose a fine of up to 5,000.00 EUR (depending on the severity of the violation) for each such violation and / or to exclude the exhibitor from subsequent events.

10 Requirement regarding a written document

All declarations must be specified in writing.

11 Severability clause

Should individual or several provisions of these conditions be or become invalid in whole or in part, the validity of the remaining provisions and of the contract as a whole shall not be affected. The parties will conduct negotiations in good faith to replace the invalid provisions with valid provisions that come as close as possible to fulfilling the business purpose of the invalid provisions.

Should the invalidity of a provision have arisen from a specific figure given therein with regard to performance or time (deadline or date), the nearest legally permissible figure shall replace the invalid one in the provision.

12 General Section of the Conditions of Participation, Technical Guidelines

The stipulations of the General Section of the Conditions of Participation and the Technical Guidelines are not affected.
