

IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

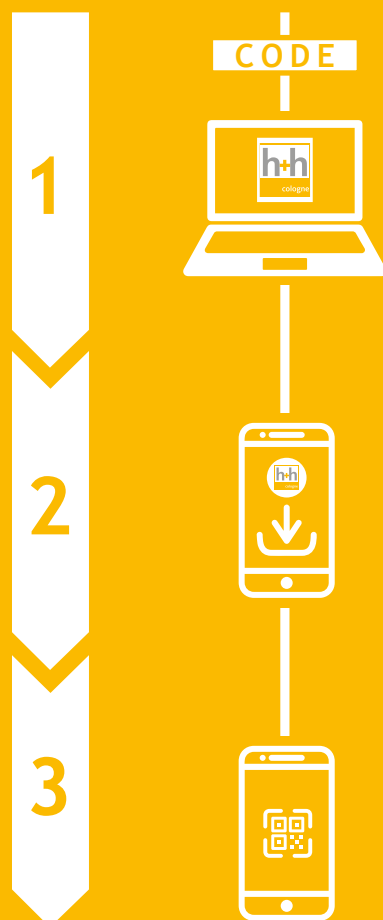

Please observe! The new process for admission to the trade fair.
What do you have to do as an exhibitor?

THIS IS NEW:

Instead of the usual exhibitor and work passes in paper form, you have received digital admission ticket codes for an exhibitor pass from us per e-mail. Please forward on these codes to all people, who require admission to h+h cologne:

- Colleagues, who are manning your exhibition stand (for exhibitor passes)
- our stand construction team (for stand construction/dismantling passes)
- Further service providers you have commissioned in the scope of your trade fair presence (for stand construction/dismantling passes)

Admission to the trade fair occurs in three simple steps:

1. You buy a ticket or redeem your digital ticket code:

- Every person, who requires admission to the fair, has to redeem his/her admission ticket code in the Ticket Shop in the run-up to h+h cologne and create a personal Koelnmesse account (which applies for the registration via the h+h cologne app and for h+h cologne @home).

2. Download the h+h cologne app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the h+h cologne app, which is automatically in the ticket wallet of the app.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at h+h cologne:

- You will be granted access to the fair grounds on presenting the admission ticket in the h+h cologne app.
- You additionally require a digital COVID certification of the EU (vaccinated, tested, recovered) as well as an official ID. For non-EU citizens without access to the EU DCC certificate, the following exception applies: Click [here](#) for all information.
- If you have a ticket for h+h cologne you can also use h+h cologne @home. You can log in using your access data from your Koelnmesse account.
