

INTERNATIONAL TRADE FAIR FOR CREATIVE HANDICRAFT & HOBBY SUPPLIES
COLOGNE, 18-20/03/2022

IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

Please observe! The new process for admission to the trade fair. What do you have to do as a media representative?

THIS IS NEW:

Only digital tickets will be issued. On-site accreditation is no longer possible.

Due to the Corona-compliant planning of the trade fair, we had to change our systems to these new processes.

For you as a media representative, this means that you will have to re-accredit if you have not yet re-accredited for a trade fair in Cologne since September 2021. The old login data is no longer valid. If you have already re-registered as of September 2021, you can log in with your existing login information.

Admission to the trade fair occurs in three simple steps:

1. How to accredit:

- You will find the accreditation link in the PRESS section of the h+h cologne website:
[Accreditation for journalists | h+h cologne \(hh-cologne.com\)](https://www.hh-cologne.com)
- You register and create a personal Koelnmesse account and upload a legitimization document.
- After successful legitimization, you will receive a confirmation and can place your press ticket in the shopping basket

2. Download the h+h cologne app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the h+h cologne app, which is automatically in the ticket wallet of the app.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at h+h cologne:

- You will be granted access to the fair grounds on presenting the admission ticket in the h+h cologne app.
- You additionally require a digital COVID certification of the EU (vaccinated, tested, recovered) as well as an official ID. For non-EU citizens without access to the EU DCC certificate, the following exception applies:
