Root canal points (Guttapercha)
Auxiliaries for implant planning
Operating-theatre drapes
Patient-condition monitoring during an operation
Devices for plasma medicine
Material for dressing
<u>driving devices and handpieces</u>
Handpieces (general)
Tubes and connections
Ultrasonic / Sonic handpieces
Special contra-angles
<u>hand instruments</u>
Impression trays
Evacuation cannulae
Bite registration instruments
Surgical instruments
Filling instruments
Injection instruments
Injection cannulae
Orthodontic instruments
Matrix systems / Matrix holders
Measuring instruments
Periodontal instruments
Scalpels
Spatula
Examination instruments
Tooth cleaning instruments
Pliers
<u>rotary instruments</u>
Diamond instruments
Tungsten carbide instruments
Ceramic abrasives
Finishers
Steel instruments
Root canal instruments
<u>oscillating instruments</u>
Sonic instruments
Ultrasonic instruments
<u>implant dentistry</u>
Implants
Implantation instruments
Connecting parts for supra reconstructions
Augmentation products

<u>retention anchors and pins</u>
Parapulpal pins
Root canal anchors
<u>prophylaxis / dental and oral hygiene</u>
Patient information work aids
Prophylactic equipment
Interdental brushes
Oral irrigators
Plaque detectors
