IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

Please observe! The new process for admission to the trade fair.
What do you have to do as a member of the trade fair team?

THIS IS NEW:

The project manager of your trade fair team has forwarded a digital admission ticket code for an exhibitor pass on to you. Each member of your trade fair team receives his own admission ticket code.

Admission to the trade fair occurs in three simple steps:

1. Redeem your digital admission ticket code:

- You redeem your admission ticket code in the Ticket Shop in the run-up to imm cologne and create a personal Koelnmesse account (which also applies for the registration via the imm cologne app).

2. Download the imm cologne app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the imm cologne app, which is available from mid-december from the App Store or from the Play Store.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically in the ticket wallet of the app.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at imm cologne:

- You will be granted access to the fair grounds on presenting the admission ticket in the imm cologne app.
- You additionally require a digital COVID certification of the EU (vaccinated, tested, recovered) as well as valid ID.
