>>> eSlot makes trade fair transports by truck more efficient. The dynamic logistics management system helps you to get to the trade fair in the fastest possible way. Your loading slot is reserved and you drive straight through to the loading point.

➤ eSlot works with the NUNAV routing system and calculates your best route every 15 seconds, taking traffic developments into account. This helps you to avoid traffic jams dynamically and proceed directly to the loading point without waiting.

➤ Your booked eSlot is reserved for you, the barrier at the gate opens automatically and you are routed to the final loading position. Pre-booked forklifts are made ready for you as quickly as possible.

Please note!

From 2021 the access to the trade fair grounds will be possible only for those who have a time slot booked via the eSlot portal.

It's that simple!

01. Go to the eSlot portal using the link www.koelnmesse.com/eslot.
02. Book your desired time slot to drive to the trade fair.
03. You will receive your trip number and PIN with your booking.
04. Download the NUNAV app to your smartphone.  **NUNAV** Navigation
05. Enter the trip number and PIN in the app – and ready!
