## IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

Please observe! The new process for admission to the trade fair. What do you have to do as a service provider?

### THIS IS NEW:

Your contracting party (= exhibitor) has forwarded a digital admission ticket code of stand construction/dismantling passes on to you - one for each member of your team.

Admission to the trade fair occurs in three simple steps:

### 1. Redeem your digital admission ticket code:

- You redeem your admission ticket code in the Ticket Shop in the run-up to imm cologne and create a personal Koelnmesse account (which also applies for the registration via the imm cologne app).
- After redeeming your ticket code, you will receive an order confirmation for your ticket for the set-up and dismantling period of imm cologne.

### 2. Download the imm cologne app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the imm cologne app, which is available from mid-december from the App Store or from the Play Store.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically in the ticket wallet of the app.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

### 3. You arrive at imm cologne:

- You will be granted access to the fair grounds on presenting the admission ticket in the imm cologne app.
- You additionally require a digital COVID certification of the EU (vaccinated, tested, recovered) as well as valid ID.
- People, who are travelling from a non-EU country and thus don't have access to a digital EU-DCC certificate, but who have been vaccinated with a vaccine approved in the EU, will also be granted access to the fair grounds.
