5 Construction times

Start of construction period: Thursday, 02.09.2027, 8:00 a.m.

End of construction period: Monday, 06.09.2027, 6:00 p.m.

6 Dismantling times

Start of dismantling period: Thursday, 09.09.2027, 6:00 p.m.

End of dismantling period: Saturday, 11.09.2027, 10:00 p.m.

Dismantling must not begin before Thursday, September 09, 2027, 6:00 p.m.

Dismantling the trade fair stand and/or the product presentation before the official end of the event represents a serious infringement of the Conditions of Participation. In the event of any violation of this condition, Koelnmesse is entitled to impose a fine of up to €5,000.00 (depending on the severity of the violation) for each such violation and/or to exclude the exhibitor from subsequent events.

7 Confirmation/conclusion of contract

Once your company has been accepted for participation, you will receive the corresponding confirmation beginning in February 2027. The contract for participation in the trade fair event is concluded upon receipt of the confirmation. Contractual relationships exist exclusively between Koelnmesse GmbH and you as the main exhibitor or group organiser, in accordance with Item V of the General Section of the Conditions of Participation. The same applies to entries in the Marketing Package.

8 Technical guidelines/services

You may download the Technical Guidelines from the event website. Our entire range of services can be ordered from our online ordering system, the Koelnmesse service shop.

9 Maximum stand height/special constructions

The maximum permissible stand height (including signs, banners and any other advertising or construction elements) is standardised at 4.50 m, insofar as this is permitted by the hall ceiling height and any fixed structures that may be present. On request, Koelnmesse can approve a higher stand height, provided technical and construction-related requirements are met. Rear walls must be neutral in design. To apply for approval, the plans for the Koelnmesse exhibition stand must be submitted or uploaded via our Delegatis digital platform in good time before the work is carried out, **at least 6 weeks before the start of the event**. These verifiable documents consist of a floor plan, views, and structural section with all dimensions and, if necessary, a static calculation and corresponding certificates.

The rear walls of stands should be decorated in a neutral manner and be clean, tidy and without visible cables. The exhibitor must ensure that stand partition walls with a height of at least 2.50 m are placed at the closed stand boundaries.

10 Withdrawal and non-participation

You are bound by your registration after you submit your registration and before you receive the acceptance/confirmation. If you cancel your registration during this period, you will be charged a fee of EUR 500.00.

If you submit your registration during the Early Bird period (cf. Item 3), you can cancel it free of charge within this period at any time.

After the exhibitor has received the acceptance/confirmation, it is no longer possible to release the company in question from the contractual relationship free of charge. Koelnmesse may, in exceptional cases, consent to a request for release from the contract if the stand area made available can be rented to someone else. In this case, a flat-rate fee amounting to 25% of the participation fee is charged for the costs incurred. If the space cannot be re-rented, the full participation fee must be paid.

11 Invoicing

You will receive the invoice for the participation fee approximately **12 weeks before the event**. Please observe the terms and conditions of payment listed under Item IV of the General Conditions of Participation.

12 Value added tax registration number

All prices given are net prices. The statutory VAT will be charged additionally where applicable.

As a rule, Koelnmesse provides exhibitors (proprietors) with a uniform service — a so-called event service — pursuant to Section 3a.4. Par. (2) of the German ordinance on the application of VAT (UStAE). The place of performance for such services is the recipient's headquarters. Koelnmesse will therefore invoice foreign exhibitors (proprietors) according to the reverse charge accounting mechanism without charging any German VAT. Exhibitors from the European Union need to enter their valid VAT identification number during registration in order to be considered proprietors. Exhibitors must immediately notify Koelnmesse in writing of any changes to their VAT identification numbers.

13 Exhibitor passes

Each exhibitor receives codes for exhibitor passes, free of charge and valid for the period from the first day on which build up work begins to the final day of dismantling:

- three passes for a stand of up to 20 sqm
- one additional pass for each additional 10 sqm or part thereof up to a stand area of 100 sqm
- one additional pass for each additional 20 sqm or part thereof over a stand of 100 sqm

The codes for the passes must be ordered by the exhibitor from the service shop and must be redeemed online via the event's ticket shop. Any additional exhibitor passes required can be ordered from the service shop for a fee.

14 Passes for construction and dismantling periods

In the service shop, you can order the necessary construction passes for the personnel employed during construction and dismantling. These passes only entitle the holder to enter the exhibition grounds before and after the event, but not during the event.

15 Media services (Marketing Package)

The media services offered by Koelnmesse are a comprehensive and attention-getting solution for all phases of your trade fair communication.

The provision of the media services specified under Item 7.1 a) Special Conditions of Participation, which are included in the Marketing Package Basic, is obligatory and costs EUR 1,325.00.

The provision of the media services specified under Item 7.1 b) Special Conditions of Participation, which are included in the Marketing Package Light, is obligatory and costs EUR 350.00.

You will receive all of the ordering information and documentation relating to the media services offered from our official contract partners. Please note that participation by your company is only fixed on acceptance by Koelnmesse. The offers and order confirmations are therefore subject to the condition subsequent that the acceptance has been issued.

Please note: **The editorial and advertising deadline is 02.08.2027.**

Information about unofficial lists of exhibitors

There have been misunderstandings and questions among many exhibitors concerning offers to be entered in what appear to be official lists of exhibitors. The suppliers of these lists of exhibitors mail unsolicited forms that are designed to give the impression that they are proof copies or invoices from the media publisher that has been commissioned to publish the official trade fair media. These entry offers are actually forms for ordering entries in lists of companies or exhibitors that are entirely unrelated to the official trade fair media of Koelnmesse GmbH. These are published exclusively by Koelnmesse GmbH in cooperation with the media publisher commissioned by Koelnmesse GmbH. Entries in the official trade fair media can only be ordered from Koelnmesse GmbH or the media publisher commissioned by Koelnmesse GmbH.

16 Koelnmesse representatives abroad

Our sales network is there for you in more than 100 countries. A list of these offices is available on the Internet at www.koelnmesse.de.

17 Group participation

Registration of group participants (companies that will participate at the group stand that you have organised, under their own name and with their own personnel and products) is done by submitting the fully completed group participants registration form during the exhibitor registration. This can either be done immediately after submitting the group organiser registration, or later via the "My Stands" menu item in the service shop.

Every participant must meet Kind + Jugend participation requirements – see in particular Item 2 of the Conditions of Participation. Koelnmesse GmbH retains the right to reject registrations by companies that do not meet these conditions of participation.

The information provided in the exhibitor registration must contain the correct details of the registered group participant. The company details are mandatory and will be published in the trade fair media. Additional details for entry in the trade fair catalogue, the trade fair app and the online exhibitor search can be entered in the service shop. You as the group organiser bear responsibility for the correct catalogue entry of the group participants. If the exhibitor has not submitted an order by the editorial and advertising deadline, they will be included, still subject to the standard fee, in the official trade fair media using the information provided when registering for the event. Registrations and orders received later will only be taken into account in the official trade fair media to the extent that this is still possible. In cases of orders and registrations received by Koelnmesse GmbH after the editorial and advertising deadline, Koelnmesse GmbH is unable to guarantee the provision of all the marketing services that are normally available. In such cases, all claims, of whatever type, but in particular claims for a reduction in the fee for

inclusion in the official trade fair media, or claims for compensation, are excluded.

The distribution of individual areas at the trade fair is your responsibility as the organiser of the joint stand. Koelnmesse GmbH must be notified as to how the individual areas have been distributed by June 2026 at the latest. This information will be used as the basis for the allocation of the individual stand numbers and thus for the entry of the stand numbers in the trade fair catalogue, the trade fair app and the online exhibitor search. Koelnmesse GmbH will allocate the stand numbers.

As the group organiser, you are responsible for ensuring that all necessary documents are completed in full and returned on time. Should you fail to provide us with the allocation of the stand areas, participants will be entered into the catalogue with a group stand number.

Orders for services by individual group participants (e.g. ordering of rental furniture) via the service shop are made in the name and for the account of the group organiser. The prerequisite is the timely notification of the allocation of the individual spaces and the granting of a corresponding authorisation by the group organiser. Orders can only be placed in the service shop until the end of the event.
