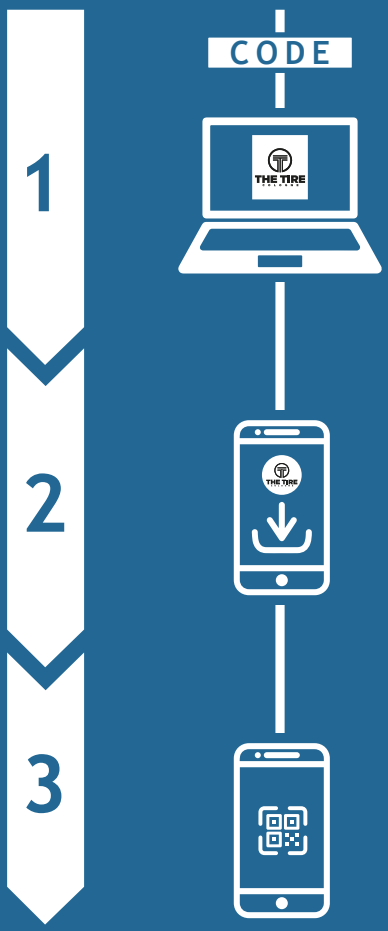
IMPORTANT INFORMATION ON ADMISSION TO THE FAIR!

For the trade fair team

Please observe! The new process for admission to the trade fair. What do you have to do as a member of the trade fair team?

THIS IS NEW:
The project manager of your trade fair team has forwarded a digital admission ticket code for an exhibitor pass on to you. Each member of your trade fair team receives his own admission ticket code.

Admission to the trade fair occurs in three simple steps:



1. Reedem your digital admission ticket code:

- Please register in the Ticket Shop and create your new Koelnmesse account. These access data are also valid for access to the trade fair app.

2. Download the TTC app:

- This year exclusively digital admission tickets are being issued. It is thus necessary for you to download the TTC app, which is automatically in the ticket wallet of the app.
- After registering in the app using the log-in data from your Koelnmesse account, your admission ticket will be displayed automatically.

(Note: It can take up to 10 minutes for the ticket to be displayed after the order has been completed.)

3. You arrive at TTC:

- You will be granted access to the fair grounds on presenting the admission ticket in the TTC app.
- The Covid restrictions for trade fairs and events in North Rhine-Westphalia were lifted in April 2022. However, Koelnmesse strongly recommends that you only enter the exhibition centre if you have been vaccinated against, have recently recovered from or have tested negative for Covid, and that you voluntarily wear a medical mouth nose protection.
